### PRESIDENT'S MESSAGE

"Educate a child, in a way that he may evolve, turning every dream into a reality, transcending barriers and building an all-new world of hope and positivity."

The true purpose of education is building individuals who can be an asset to the generation. We believe in holistic education for our children, encompassing academics, co-curricular activities, sports education and life-skills. Our endeavor is to strike a balance between state-of-the-art infrastructure and nationally and internationally acceptable pedagogy. The greatest strength of KNICE, Karaundia is the high-quality programmes and transparency in its system. Our well-groomed school's community consists of experienced teachers and supportive parents working together to make the school an ideal place for its students to learn, grow and become torchbearers for a better tomorrow.

Alvin Toffler once said, **"The illiterate of the 21<sup>st</sup> century will not be those who cannot read or write but will be those who cannot learn, unlearn and then relearn."** An important part of the mission of our new age education is not just developing learners' competence, but also giving the right values and attitude. To go ahead we need to provide 'out of the box' thinking climate in the classroom and stimulate creativity and develop problem-solving capability in each student.

I strive to see your genesis culminate in unprecedented success. Success comes to those who are good human beings, at the same time those who are ready to work hard. You stepped into this great institution with fresh ideas, soaring aims, high hopes, and joyous aspirations. I ensure you that your ambitions will be accomplished through the able guidance of the highly skilled and experienced teachers. In return, the school seeks superior ethics, positive attitude and discipline.

I congratulate the diligent team led by the Principal, for giving a platform to students that reflects the talent, ambitions, aspirations and strengths of the young KNICEANS.

**"Change is the end result of all true learning"**

## MANAGER'S MESSAGE

**"Education is the most powerful weapon which you can use to change the world." -**

**Nelson Mandela**

### Cultivating Brilliance at KNICE, Karaundia....

We are steadfast in our pursuit of academic excellence and holistic development, curating an educational experience that is both intellectually stimulating and profoundly enriching. Our meticulously crafted curriculum is designed to augment cognitive prowess, ignite creative ingenuity, and fortify emotional resilience. By harmoniously intertwining time-honored values with avant garde pedagogical methodologies, we ensure our students are impeccably prepared to navigate the complexities of the present while embracing the boundless possibilities of the future.

We ardently foster a culture of inquiry, innovation, and communal harmony. Principles of discipline, accountability, and reverence for diversity form the cornerstone of our institution, while individualized guidance ensures that each student is nurtured to realize their fullest potential. Beyond scholarly pursuits, we place immense emphasis on physical vitality, co-curricular engagement, and the cultivation of essential life competencies — empowering students to evolve into astute, empathetic, and tenacious leaders poised to shape a better tomorrow.

Through the synergistic collaboration of our erudite educators, supportive guardians, and fervently driven students, we endeavor to transform our school into a crucible of limitless possibilities. In the immortal words of **Eleanor Roosevelt**, **'the future belongs to those who believe in the beauty of their dreams'**. As we shepherd our students through their academic odyssey, we inspire them to dream ambitiously and embrace their latent potential. Let us collectively embark on this exhilarating journey of intellectual discovery and personal metamorphosis, resolute in our mission to empower our students to actualize their aspirations and leave an indelible mark upon the world.

## PRINCIPAL'S MESSAGE

### If You Think You Can, You Will Be.....

At KNICE, Karaundia campus, we are committed to providing each student with a diverse education that nurtures self-discipline, a sense of responsibility, social and global consciousness, and a passion for excellence in learning. Our vision to **Empower, Enthuse, and Excel** is deeply embedded in the fabric of our school community, guiding every member towards a shared goal of student success.

A significant part of our work revolves around ensuring that every student thrives. Our curriculum, instructional practices, and enrichment programs are meticulously designed to foster academic growth, personal development, and a love for lifelong learning. The unwavering dedication of our staff to support each student is at the heart of their achievements.

We recognize the importance of meaningful connections. Teacher-student relationships, co-curricular activities, student celebrations, and support systems like the Student Assistance Program, school counselors, parent liaisons, and mental health clinicians all play a pivotal role in creating a nurturing and inclusive school environment. "The stronger the bond between students and their mentors, the more likely they are to succeed". Our Professional Learning Community is grounded in a shared mission, vision, and values, with a continuous commitment to growth and innovation. As **Albert Einstein** wisely said, **"Education is not the learning of facts, but the training of the mind to think."** At KNICE, we wholeheartedly believe that a quality education is the passport to the future — a powerful tool that opens doors to endless possibilities and empowers students to shape a brighter tomorrow. Together, we inspire students to believe in themselves, to dream big, and to work diligently towards achieving their aspirations. After all, if you think you can, you will be.
